

## Hall Grove Golf and Tennis Association

The Golf and Tennis Association was set up by parents to promote golf and tennis in the school. Membership is open to all families, past and present. The Association organises golf and tennis lessons for both children and parents, and family social events. Membership needs to be renewed each year.

Membership entitles you to:

- use the golf course and tennis courts (see note below for more detail).
- participate in golf and tennis lessons
- two free social evenings a year

You may have either family membership – open to all families with children at Hall Grove and families of past pupils (£60) or individual membership – open to all children in Years 7 and 8 and past pupils (£30).

The golf and tennis lessons are charged at cost. All surplus funds are returned to the school to help with the cost of green keeping and court maintenance.

### Tennis

Adult coaching for all parents who play tennis is given by Mike Adams, the school tennis coach, on Wednesday mornings from 9-10am. No booking is required as it is run on a turn up and play basis. Please contact Kate Butler for further information.

Children's lessons are given by Craig Thompson, a professional tennis coach, on Saturdays from March to October. The lessons are open to children age 7+. All standards are welcome as the children are grouped by age/ability.

Please contact Kate Butler for further information and to book lessons by the end of August as lessons start in September. Tel: 01276 476418 or e mail: [katej.butler@virgin.net](mailto:katej.butler@virgin.net)

### Golf

Group golf lessons are given by the professionals from The Berkshire Golf Club. All standards welcome.

Adult lessons are held at the Berkshire on weekdays and need to be booked.

Children's golf lessons are held on Saturdays at Hall Grove for Year 3 and above. The children are grouped by age.

Please contact Gail Parnell for further information Tel: 01276 452706 or e mail: [parnell@btconnect.com](mailto:parnell@btconnect.com)

If you have a general query about the Association please contact Gail.
