

Hall Grove School Netball Club

Aims

We want to provide a fun and enjoyable environment where lapsed players, new players, parents and friends can enjoy the benefits of the new netball court and get a little fitter in the process! Although there is a nominal charge for the use of the courts, currently the training and umpiring is provided for free. It is hoped that during the spring/ summer of 2005 we will join a local league and participate in more formal matches (Match fees and all England affiliation fees will apply).

Training

We currently train on Wednesday evenings weather and school commitments permitting. The session starts at 7.30 and ends at 8.30. It is split into a short fitness training/ ball play and then a 'friendly' match. New members are welcome at any point during the term. If you are unsure whether there will be a session please call Victoria on the number below.

Please note that there is no supervision available for watching children and that the grounds are open and it is impossible to watch children effectively. The school feels it is better therefore that children are not brought if at all possible.
