18th (Playing Day)

(The summer term will follow on and will continue until the summer holidays. Dates for this will be released over the Easter break)

Cost

The cost for the 9 week term is £100.

Programme Content

The Windlesham Young Golfers Programme is a golf development programme for children aged twelve and under. It runs at weekends and after school in the spring, summer and autumn terms. It has been continually revised and improved to become one of the best development programmes in Surrey for young junior golfers.

The programme is designed first and foremost to be fun. Every session involves fundamental movement skills, games, challenges and instruction to assist in skill and technical development.

The programme uses a cap system which works in a similar way to Karate belts, each colour representing a higher level of achievement. This has been developed to encourage our young golfers to keep challenging and improving all areas of their golf, until they are ready to become junior members.

The programme caters for complete new comers to the game while also challenging the more experienced young golfer. Children are placed with others of a similar age and skill level during sessions to help build new friendships and confidence.

The final session of every term is spent on the golf course putting our new found skills into practice. For our weekend programme this requires a parent or guardian to walk/caddy 9 short holes with their child.

Terms, Times and Costs

The programme runs in the Spring, Summer and Autumn terms. (we have a break between November and February) A term usually consists of eight 75 minute sessions and is split by the following timings and age groups.

Saturday and Sunday

9:00 am - 10:15 am (6, 7, & 8yrs)

10:20 am - 11:35 am (8, 9 & 10 yrs)

11:40 am - 12:55 pm (10, 11 & 12 yrs)

After School

Tuesdays: 4:30 pm to 5:45 pm

Thursdays: 4:00 pm to 5:15 pm

The cost of an 8 week programme is £90.00 which includes an academy cap (if it is earned that term). Due to the nature of the programme it is highly unlikely that a child will move up a cap every term. If they move up every 2 - 3 terms that is still great progress!

We aim to provide a safe, fun and stretching environment for all of our young golfers and our main aim is to grow them and their golf skills while having a lot of fun!
